KNOW THE SYMPTOMS

Fever Cough Shortness of breath Headache Sore throat

Basic protective measures against coronavirus

Wash hands frequently
Wash your hands regularly with soap and water or use an alcohol-based hand sanitizer to kill viruses that may be on your hands.

Clean
Clean and disinfect frequently touched objects and surfaces - for example, door handles, handrails.

Respiratory Hygiene
Cover your mouth and nose with a tissue or sleeve when coughing or sneezing. Dispose of used tissue immediately.

Avoid touching eyes, nose, & mouth
Hands touch many surfaces and can pick up viruses. Avoid touching your eyes, nose, and mouth where possible.

Shared Objects
Do not share objects that touch your mouth - for example, bottles, cups.

Maintain social distancing
Keep at least one metre between yourself and anyone who is coughing or sneezing to keep yourself safe.
